

Community Work Day at Leilani Farm Sanctuary in Haiku

**SATURDAY, MARCH 13, 9:00 A.M.
260 E. KUIAHA ROAD, HAIKU**

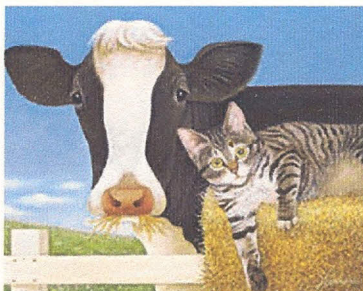

Enjoy the beautiful farm in the company of friendly animals, while working to improve their environment.

Choose from a variety of projects to help with, such as: barn cleaning, trail maintenance, goat hoof trimming, mulching fruit trees, painting, tree trimming, weed pulling, and brushing donkeys and goats. While you're at the sanctuary, you can kiss a donkey, take a trail walk with the herd of goats, cuddle a chicken, feed carrots to the bunnies and pet the friendly cats.

Leilani Farm Sanctuary is located on nearly eight heavenly acres of tropical land, and home to goats, cats, chickens, donkeys and rabbits. The sanctuary was named in honor of Leilani, the farm's first resident donkey. It is an all volunteer, non-profit organization created to provide shelter and care for abused and rescued animals, and humane education to the community.

At the sanctuary, there are rolling green pastures for goats and donkeys to graze, hundreds of trees for the cats to climb, a rabbit habitat, and jungle environments for the chickens to explore. The sanctuary is truly a paradise for animals who have been rescued from a life of deprivation and have an opportunity to enjoy a bit of heaven right here on earth!
