Everything went very well!

Many thanks to all of you who took part in this international effort for Yupi!

Muchas gracias a todos los que formaron parte de este esfuerzo conjunto para ayudar a Yupi!

At the press conference

With the leaders of the Morelian NGO's, the Secretary General of the Mexican Green Party, the representative of AnimaNaturalis Mexico and the Morelian Deputy of the MGP

Delivering the 82,006 petitions to the zoo director

After delivering the petitions, with the Yupi staff team at the Morelia Zoo

I had a meeting afterwards with the zoo director and several meetings with all the NGO's involved in this campaign.

I am happy to announce that the new zoo director is very open to discussion and he really cares, but not only for Yupi's welfare, but also about all the Morelia zoo animals!

So far, things seem very positive and in a very good direction.

Regards from Mexico,
